13 runners.

Well, it had to happen sometime. It must be a record in this race when a runner came in eight minutes inside his handicap, I thought Alan had cut a corner to get back quicker!! I won't be so kind next time, still, good to see you back running again Al. Also a very good run by Dave who broke twenty eight minutes for the first time since his injuries, well done Hopefully we will have a few more runners next month..
