What a very good day was had by one & all for our Christmas Mince Pie run. The weather was good & most had fast runs. Afterwards at the Stables the cakes & mince pies, with a drop beer, went down very well. Thank you all for the presents which were much appreciated. Very nice to see the three Aquila boys together once more as it must quite a long while ago the last time they were. I hope John's health improves in the new year & able to run again. I hope you all have a great Christmas & an injury free new year.
