The summer handicap competition has gone down to the wire with Maire, Jenny and Diana filling the first 3 positions within a single point. Each of the six events has been very well attended and congratulations go to all those who managed to complete four of the events. The winter version of the Avery Hill Handicap competition takes place on the first Wednesday in the months from October to February inclusive (weather permitting). The 5k road course starts in Avery Hill Road near to the junction with Overmead and follows a clockwise circuit taking in Lannoy Road, Footscray Road, Southend Crescent and Bexley Road, finishing in Avery Hill Road at the top of the drive. The latest 5k handicap times will be carried over to the winter series.

The first event takes place on:

Wednesday 7<sup>th</sup> October and starts at 7.10 pm.
